FOUR REASONS TO PARTNER WITH US

TRUSTED PARTNER

01

P2P Corporation is the trusted partner for companies looking to grow their business in Thailand.

FOUR REASONS TO PARTNER WITH US

UNIQUE VALUE

We offer our partners the services they need most, tailor-made to their specific requirements.

02

03

FOUR REASONS TO PARTNER WITH US

RESILIENT UNIQUE SCALABLE

Our unique business model fuels our growth and is deeply rooted in the fast-growing markets of Thailand.

FOUR REASONS TO PARTNER WITH US

DRIVING GROWTH

Our growth, and the growth of our business partners, is fueled by three megatrends.

04

WHAT WE DO

MARKET EXPANSION SERVICES

COMPREHENSIVE

Choose from a complete range of specialized services along the value chain from sourcing, market insights, marketing and sales to distribution and logistics.

CUSTOMIZED

Our services are precisely tailored to meet your exact needs.

INTEGRATED

Our intelligently integrated and tailor made services deliver seamless end-to-end solutions no matter how large or small your requirements.

WHAT WE DO

SERVICES WE OFFER

SOURCING

Access a global sourcing network with:

- Deep industry expertise to provide you with any materials and products you need
- A cost effective, quality, and dependable supply
- Full compliance with safety and environmental regulations

MARKET INSIGHTS

Innovate for growth with:

- Access to our global network of innovation centers where we generate new product ideas, develop, and customize them, work on new ingredients and technology applications, provide hands-on training and acceptance tests
- Market entry and long-term business strategies based on our local expertise and market intelligence
- Omni-channel insights from data and analytics

WHAT WE DO

SERVICES WE OFFER

MARKETING AND SALES

Open up new revenue opportunities with:

- A complete array of marketing and sales services for your products, including eCommerce marketing
- Access to all relevant channels to market, customers, both offline and online (e-retailers, e-marketplaces, etc.)

DISTRIBUTION AND LOGISTICS

Delivery of what you need, at the right time and place with:

- Many additional specialized services including product registration, regulatory support, customs handling, importation, logistics, repackaging, invoicing, cash collection, and e-fulfillment
